### **is returning to Coomera Colts Soccer Club for a SIBA Soccer Club Tots Program in Term 1**

Following the success of our Club Tots programs at the club in 2017, again, in Partnership with **Coomera Colts Soccer Club** we will be running the following Term 1 program:

#### **SIBA Soccer Club Tots Program**

This is a fun based, beginners soccer program for 3-5yr old boys & girls. We believe this program assists with a child's fundamental learning in a safe, fun and structured environment. This program focuses on social and personal learning (trust in peers, turn taking, collaboration, friendships), mathematical learning (comparing, colours, counting, length, estimation), active learning (problem solving, following instructions, concentration and persistence, reasoning and making decisions) language, communication, healthy and physical learning (body co-ordination, balance and strength, flexibility and perception).

We aim to finish each session with a small-sided game aiming to teach these young players game-awareness skills in order to prime them for future club soccer
